VOLUNTEERING FOR SAND BUCKETS OF SUDBURY

HOW IT WORKS

Sudbury residents that wish to have a bucket of sand delivered to them request it by calling the Senior Center (978-443-3055) and speaking to the receptionist. They will be asked their name, address, and the client's very specific instructions as to where they want the filled sand bucket left outside of their home. If this is a refill request, they are told to leave the empty bucket in the exact spot they want the filled replacement sand bucket placed.

The Sand Bucket volunteer will receive from the Volunteer Program Coordinator details of the needed delivery run. This includes the clients' addresses as well as a description of where the filled sand bucket should be placed outside of each client's home that make up his/her delivery run.

The volunteer starts his/her delivery run by picking up, at his/her convenience, the pre-filled sand buckets stored in the shed at Sudbury's DPW (located at 275 Old Lancaster Rd). The volunteer then delivers a sand bucket to each client's home on his/her run, placing it where directed. The program runs through the winter months, starting before the first snow.

WHO WE ARE

We are a group of volunteers whose purpose is to help keep our neighbors safe in inclement weather when walkways and driveways can be slick.

Sand Bucket volunteers enjoy:

- Flexible hours
- Making their own schedule
- Having no minimum or maximum time commitment
- Meeting people in our community
- Being part of a terrific group of volunteers that is truly making a difference!

DO YOU WANT TO VOLUNTEER?

We are always in need of new SAND BUCKET VOLUNTEERS, so that no driver is ever asked to drive too often. We work to make volunteering easy and convenient. We can use your help even if you are only available a few days each winter.

If you'd like to join our wonderful group, please call Janet Lipkin, Volunteer Program Coordinator, at 978-639-3223 or email her at LipkinJ@sudbury.ma.us.
