Coming in September for Fall Prevention Month

Energy Conservation Techniques and Safety with Functional Mobility

Tuesday, Sept 21 at 10:00 AM onsite at the Senior Center

Did you know that the majority of falls in the elderly population occur in or around the home? Several behavioral and environmental factors can jeopardize your safety in your own home.

Come join Aditi Chandra, Doctor of physical therapy, of the Longfellow Holistic Health Center, as she discusses tips to conserve your energy, easy behavioral and environmental changes you can make to reduce your risk of falling, and ways to be safer with all your functional mobility in and around your house! Call the Senior Center at 978-443-3055 to register or email senior@sudbury.ma.us.
Hello Everyone!

I am thrilled to be back at the Senior Center after my adventure hiking a large part of the Appalachian trail with my husband. I cannot thank the Senior Center staff enough for all of their support and hard work during my absence. I am also so grateful to Town Manager Henry Hayes for granting the leave time to fulfill this dream.

The Senior Center is gradually beginning to reopen and move to a more normal schedule. Of course, we are moving cautiously, keeping an eye on the latest health information from the Sudbury Health Department and other authorities. We understand that you may feel very comfortable coming back to the Center, or you may not, and respect your decisions about when to come in. We expect to continue to offer a hybrid of both smaller in-person programs and remote programs into August. We are evaluating what to do in September – we are hoping that all signs will be positive for more and larger in-person gatherings.

Take a look at the wonderful newsletter that Program Coordinator Sharon Wilkes has been preparing every month since March. We have a few exciting new programs and events for you to consider. Join us for an Ice Cream social on August 18, meet the new Town Nurse on August 25, don’t forget our August Grab n’ Go!
Lecture 23—Did you know? By the end of 2007, David McCullough’s *John Adams* had sold over 3 million copies, making it, by a considerable margin, the best-selling biography in America’s literary history.

Lecture 24—The bestsellers of today are quite different products than some of those discussed in earlier lectures; today there are "brand-name" writers, whose success is nearly guaranteed on their name alone.

The Korean Peninsula by Scott Snyder

The Korean Peninsula is facing a defining era. Attempts by South Korean President Moon Jae-in and former U.S. President Donald Trump to repair the rift between the North and South have lost any momentum as Pyongyang continues to test long-range missiles for its nuclear weapons program. As the rift between the U.S. and China grows further, South Korea may end up in the middle of the two superpowers. What does the future hold for the U.S. relationship with the ROK?

Roles of International Organizations in a Global Pandemic by Mara Pillinger

The Covid-19 pandemic has thrust the World Health Organization (WHO) into the limelight, for better and for worse. While some of the Trump administration’s criticism of the organization is unfair, the response to the early stages of the pandemic left many experts wanting more from the WHO. What is the WHO’s role in responding to international pandemics? What can be done to improve the WHO’s response to future global health crises?

Volunteer Profile with Marilyn and Bob Ellsworth

Marilyn and Bob Ellsworth have been town residents for more than 46 years, moving from Oakland, CA, to Sudbury with their two daughters on the 4th of July weekend in 1975. Since then, they have been active in town events and activities, such as annual town meetings and Sudbury street cleanups in the Spring. They have both volunteered their time for a wide variety of town and regional organizations.

For the past few years, Bob has volunteered with the Sudbury Senior Center on two ongoing projects: the sand bucket brigade, delivering buckets of sand to the homes of local seniors for use on their icy sidewalks and driveways in the winter, and the delivery of donated baked goods from area supermarkets to the Senior Center.

When Bob is not assisting Marilyn with her Gifts of Hope Unlimited activities, he has his own particular volunteer activities. For several hours every week since 2002, he has volunteered with a national educational agency, Learning Ally. As an organization with historic roots in the late 1940’s assisting blind WW11 veterans, Learning Ally’s scope and mission have seen major expansion in the ensuing decades. The nationwide effort now works with schools, colleges, teachers, and parents to provide audio versions of textbooks and fiction and nonfiction literature to blind and dyslexic elementary, high school, and college students. In conjunction with hundreds of other volunteers throughout the country, Bob uses special software and his laptop computer at home to record chapters in selected books. His material is uploaded to a central library in Princeton, NJ, where professional staff collate the readings to produce complete audiobooks for distribution to client students.

In a separate but related effort, under the auspices of the Perkins School for the Blind in Watertown, MA, Bob makes regular telephone contact with a blind woman in the greater Boston area to help her select audiobooks for her reading pleasure, using a catalog of books published by the Library of Congress.

Since 2009 Bob has been making trips to the American Red Cross blood donation center in Dedham, MA, to donate platelets about 18-20 times per year.

Marilyn has enjoyed many volunteer opportunities since joining the League of Women Voters in 1978. There, she honed her knowledge of town government and local organizations and had the opportunity to lead studies about universal health care, domestic violence, and the feasibility of establishing a Sudbury town museum and history center.

The study of domestic violence led to the founding of the non-profit Sudbury-Wayland-Lincoln Domestic Violence Roundtable in 1998 by Marilyn and two other League members. The purpose of the “Roundtable” is education and outreach to the many Metrowest shelters and organizations dedicated to the prevention of relationship violence. For 23 years the Roundtable has provided several public educational programs yearly, collected items needed by shelter residents at the annual Shower for Shelters, and placed resource/safety cards in local area public buildings, restaurants, health care facilities, and businesses in all three towns. For more information, please visit www.domesticviolenceroundtable.org.

Interest in preventing domestic violence led Marilyn in 2006 to take a 40-hour training course from Domestic Violence Services Network located in Bedford and Concord, to become a trained volunteer advocate. Serving 13 area towns and Hanscom AF Base, advocates attempt to call all victims of abuse with safety and resource information on behalf of local police departments. Marilyn accompanies mostly women requesting restraining orders to Concord District Court. Please learn more at www.dvvap@concordma.gov.

The close contact with women and children survivors was the impetus for the founding in 2012 of the non-profit Gifts of Hope Unlimited (GOHU) by Marilyn and two other volunteer advocates. GOHU’s mission is to empower families who have experienced relationship violence by providing furniture, household items, clothing and financial assistance. GOHU maintains a warehouse in Acton, a rent-free space donated by Werner Gossels of Wayland. GOHU partners with Voices Against Violence in Framingham, RIA House in the Framingham area, The Second Step in Newton, and our town social worker, Bethany Hadvab. GOHU’s work is made possible through grants, financial donations, donations of needed items by individuals and other non-profits, as well as quarterly fundraisers. From our Volunteer Program Coordinator,

It is an exciting time at the Senior Center, and we welcome having the building filled with people attending classes, programs and events, having lively discussions, forming new friendships while nurturing old ones, and taking part in volunteer services.

Our volunteer programs continue to be extremely well-utilized. Some were in full operation mode throughout the pandemic, others resumed with time and modifications, and some are still suspended, temporarily.

Please feel free to call the Senior Center (978-443-3055) to find out about a particular volunteer program you are interested in or are in need of.

The Town of Sudbury requires a Liability Waiver be signed by residents using our volunteer services. The Liability Waiver form can be found on our website (on the “Services” tab) or can be mailed to you.

People often ask what the process is to becoming a volunteer. Anyone expressing interest in volunteering should get in touch with me, the Volunteer Program Coordinator. I will then provide them with information about the various volunteer opportunities the Senior Center offers, as well as provide a Volunteer Application packet which includes a CORI check form (criminal record check), and request for personal references. For those volunteer roles requiring driving (Meals on Wheels, FISH transportation to medical appointments), an additional driving record check is conducted. Once I receive a completed Volunteer Application, I set up an interview. During the interview, I get to know you a bit, discuss in more detail your specific interests in our volunteering opportunities as well as your availability, go over details of the volunteer roles, and answer any questions you may have. Once all of the reference and background checks are completed, I contact you to let you know final steps.

It is a thorough process but an important one, as our volunteers are representatives of the Senior Center. We are most grateful for the incredible team of valued volunteers that we have.

If interested in applying to be a volunteer, please contact me at LipkinJ@sudbury.ma.us or call 978-639-3223. I look forward to hearing from you!

This month’s featured article is written by Marilyn Ellsworth and Bob Ellsworth, a Senior Center volunteer. The article describes the important work being done by each of them, making a huge impact on the lives of many. Please see page 7. Kudos to Marilyn and Bob for the important work that they do!

Volunteer Program Highlight: Goodnow to Go

Goodnow to Go is a collaboration with the Goodnow Library to supply library materials to Sudbury residents unable to travel to the Library. A Senior Center volunteer will be matched with the patron and will deliver the library materials to the patron’s residence, then return them to the library when the circulation period expires. Materials will be selected by the patron or by the patron in discussion with Goodnow Library staff or a Senior Center volunteer. For more information, contact Goodnow’s Michael Briody, mbriody@minlib.net, 978-440-5535; to volunteer contact Janet Lipkin at LipkinJ@sudbury.ma.us, 978-639-3223.

Quotes of Note:

“One of the greatest gifts you can give is your time. “

Go Sudbury! Taxi Rides

The Metropolitan Area Planning Commission of Massachusetts is extending its emergency taxi grant funding. The town of Sudbury has received sufficient funding to provide several rides per week (including wheelchair accessible vehicles).

Both Tommy’s Taxi (Framingham) and JFK Transportation (Natick) will be used. Rides will be focusing on non-COVID related healthcare appointments and vaccination appointments.

Residents must meet one of the following qualifications:
- 50 years of age or older, 18 years of age or older with a disability that limits driving
- Active duty military or veteran of the armed forces
- Resident with financial need
- Essential worker requiring transportation for work.

The ride service area is within Sudbury and up to 25 miles outside of Sudbury. All rides must begin or end in Sudbury.

Go Sudbury! Uber Rides

The Go Sudbury! Uber Rides program is also a grant-funded, temporary program for Sudbury residents who meet the same qualifications as the Go Sudbury! Taxi program mentioned above.

Transportation via Uber services are partially subsidized by the Town of Sudbury and is available for non-urgent healthcare, vaccination appointments, work, shopping, and accessing community resources. There are three geographic areas in which transportation can be provided, each with a nominal co-pay per one-way ride:

1. Within Sudbury ($1 per ride)
2. To/from towns contiguous to Sudbury ($2 per ride)
3. To/from destinations up to 25 miles outside of Sudbury ($10 per ride).

You must have a private account with Uber on your smartphone for this service.

Approved rides will be ordered via your Go Sudbury! supplemental account, and the applicable copayments will be deducted from your personal credit card account.

Sudbury Connection Van Service

The Sudbury Connection Wheelchair Accessible Van Service, offered in conjunction with the Metro West Regional Transit Authority (MWRTA), is running five days a week (excluding holidays).

If you are a registered rider, please call the MWRTA Reservation Center at 508-820-4650, Monday - Friday, 8:00 AM - 4:00 PM.

Reservations must be made at least 2 business days in advance, and up to 2 weeks in advance. (Holidays are not business days.)

Please have the first appointment start at 9:15 AM or later if possible, and the last appointment start at 2:30 PM or earlier (so that drivers have time for cleaning protocols before and after van service).

If you would like to register, please contact the Senior Center (or MWRTA) for an application. When your application is approved, you will set up a debit account for van fees. Van fees are $1.00 in town; $2.00 for out of town for a one-way ride.

Please note: appointments will be made on a first-come, first-serve basis and medical appointments take priority over shopping and errands, which may be changed at the discretion of the Senior Center Director and/or the Outreach/Information Specialist. Screening people who have been fully vaccinated is still necessary.

If you have any questions regarding transportation or need additional information, please contact Ana Cristina Oliveira, Outreach/Information Specialist at oliveiraa@sudbury.ma.us or 978-639-3268.

Should You Delay Medicare Enrollment?

Most people first become eligible for Medicare when they turn 65. To have coverage begin the month of your 65th birthday, you must enroll during the three months prior to your birthday. Your Initial Enrollment Period (IEP) extends three months past your birthday month, but your effective date will be later. If you don’t enroll during your IEP, you may have a lifetime penalty.

There is an exception for people still working past age 65. If you are covered through your employer group health plan and there are 20 or more employees, you may delay enrolling in Medicare without penalty. This also applies if you are covered through your spouse’s current employment. However, once employment ends, other coverage, such as COBRA or a Health Connector plan, will not prevent the penalty.

For further assistance about this or any Medicare issue, contact the SHINE Program. Trained SHINE volunteers offer free, confidential counseling on all aspects of Medicare and related health and drug insurance programs. To schedule a SHINE appointment, call the Sudbury Senior Center. For other SHINE related matters, call 1-800-243-4636.

| **I’m in the “donut hole”. What can I do? Try the Prescription Advantage Program** | | | If you have reached or are about to reach that gap in your Part D plan, the Commonwealth’s Prescription Advantage program can help. For individuals with an annual income less than $38,640 (single) or $52,260 (married), Prescription Advantage can lower your co-payments while in this gap. There is no premium for this state-sponsored pharmacy assistance program. Call today for more information at 1-800-243-4636. You can also learn more online at [www.prescriptionadvantagema.org](http://www.prescriptionadvantagema.org). |
| **Dial a Ride** | | | The Dial-a-Ride Van Service is available on Tuesdays and Thursdays from 4:00 - 7:00 PM and is handicapped accessible.  
Rides are also available to Framingham to catch the Boston Hospital Shuttle on Tuesdays (early morning, return midday or early evening.)  
If you’re a registered van rider, please call the MWRTA Call Center at 508-820-4650, Monday-Friday, 8:00AM-4:00PM to schedule a ride.  
Reservations must be made at least 2 business days in advance. |
| **More Memory Cafés to enjoy** | | | Many Massachusetts memory cafés now offer virtual programs; some are meeting outdoors, and some are gearing up to resume indoor meetings. We continuously update the directory, which can be found at: [www.jfcsboston.org/MemoryCafeDirectory](http://www.jfcsboston.org/MemoryCafeDirectory). (Look for the blue sidebar listing virtual cafés, on the right side of the page.) |
