September is Healthy Aging Month

For the last twenty years, the month of September has been recognized as Healthy Aging Month, to raise awareness about the positive aspects of growing older.

Healthy aging can be promoted by nutritious eating and exercise, practicing optimism, and staying involved in social activities. However, healthy aging is more than just physical wellness; it also includes a healthy mental, social and financial state. It’s never too late to discover a new hobby or career.

Fall arrives with a mixture of weather. We relish the remaining days of warm temperatures, and welcome the crispness of the air felt on some mornings, a reminder that autumn begins this year on Sept 22.

For countless people, the arrival of Fall is a time of transition...be it a new school year, coming back from a summer home, or a return to taking part in programs, classes and events. The Senior Center is buzzing with activity, and we hope to have you join us for it!

Janet

We are seeking seniors who are interested in being matched with a volunteer:

Medicare Prescription Drug Plan

Each year thousands of Medicare beneficiaries reach a gap in their Medicare prescription drug plan that is often referred to as the “donut hole”. If you reach that gap, you will see your prescription drug costs increase dramatically! Don’t let this happen to you.

Prescription Advantage is a state-sponsored program that supplements your Medicare drug plan to fill the gap.

Call Mass Options at 1-800-243-4636, Monday through Friday, 9:00 AM to 5:00 PM, or visit prescriptionadvantage.ma.org
