Greetings All –

As we move into November, thoughts move toward the cooling weather, the shorter days, and the holidays we celebrate this time of year. Thanksgiving provides the opportunity to think about what we appreciate, and what we are grateful for. We at the Sudbury Senior Center are grateful to work with and for all of the wonderful people who attend our programs or participate in our services, and who volunteer with us! Thank you to all of you!

We are celebrating and remembering our veterans and military personnel on Thursday, November 10, with a delicious luncheon at the Wayside Inn, sponsored by the 1Lt. Scott Milley Foundation. If you are in the military or a veteran, please contact the Senior Center to sign up by Nov. 3, if possible, as space is limited (page 5).

If you participate in our programs or classes, and have leadership or teaching/technology skills and would like to volunteer to lead a group or teach a class, especially one-to-one or a small group tech class, please reach out! We’d love to talk with you.

If you don’t already participate in a program, please stop by and visit the Senior Center, or call us to sign up for a class. We have many amazing people who attend our programs (both in-person and virtual). Some of our most popular programs are the lifelong learning classes from The Great Courses, but we also have many who enjoy our fitness classes, as well as, our card games, book groups and more.

This month we will be hosting a table at the “Sudbury Doing Good” fair at the Goodnow Library on Saturday, November 5, from 11:00 AM - 2:00 PM. Stop by to say hello, or ask a question, we’d love to see you!

Be well, Debra

A favorite pastime and source of exercise for me is to walk outdoors. Doing so at this time of year, especially, brings me much joy. The leaves, radiant in their red, yellow, gold, and brown coloring, cling to the trees or scatter the ground, making for a beautiful landscape. The brilliance of the colors reveals a world that is aglow. We revel in the beauty, especially knowing that all too soon, many of the trees shall become bare. Tarps and rakes are put to good use, and for many people, free time is spent clearing the yards.

Thanksgiving will be celebrated this month on the 24th. For many it is a time for reflection about all the things for which they are grateful. I urge you to consider channeling those feelings into action by becoming a volunteer at the Sudbury Senior Center. The sense of purpose gained, joy in giving to others, and knowledge that you are making a difference in the lives of seniors can give one a deep feeling of satisfaction and a sense of connection to the community. To apply to become a volunteer, please contact Janet Lipkin at 978-639-3223, LipkinJ@sudbury.ma.us

THANK YOU to volunteer Danielle Agabedis for creating a beautiful Memorial Board for the Senior Center. Feel free to stop by and add a photo or memory to it.

Submission of an act of kindness:

“I knew that I needed to pull up my bootstraps and learn how to use Uber. It all seemed so confusing and overwhelming...how do I call for a ride? How does paying for it work? How do I know when the ride will arrive? I got scheduled with a volunteer at the Senior Center to get things set up on my phone and to teach me how to use Uber. I sat with her [volunteer] for an hour and she was helpful...and patient! Now I know how to do it. It’s actually really easy. Thank you!!”

- anonymous senior in his 80’s

A special thank you to all of the Meals on Wheels Volunteers! Pictured is Volunteer Cindy Simon headed out to deliver the mid-day meals.

A huge thank you to the Boy Scouts, Girl Scouts, Chinese American Association of Sudbury, Curtis Angels, and Warm Hands Inc. for performing acts of volunteerism for our seniors this month! It is DEEPLY appreciated.

In August, the Senior Center enjoyed listening to piano playing by students Daniel and Ethan Lin, as well as by Abla Shocair.

Kudos to our volunteers for all that they do!

The Alzheimer’s Association

Communication is more than just talking and listening. It’s also about sending and receiving messages through attitude, tone of voice, and body language.

As the disease progresses, individuals living with Alzheimer’s or other dementias lose the ability to use words, but families can find new ways to connect.

Join us to explore how communication changes when someone is living with Alzheimer’s. Learn how to interpret the verbal and behavioral communication, and identify strategies to help you connect and communicate at each stage of the disease.

Frequent nighttime trips to the bathroom, embarrassing leaks and the inconvenience of constantly searching for rest rooms in public—years, I struggled with bladder control problems. After trying expensive medications with horrible side effects, ineffective exercises and uncomfortable liners and pads, I was ready to resign myself to a life of bladder leaks, isolation and depression. But then I tried BetterWOMAN™.

When I first saw the ad for BetterWOMAN, I was skeptical. So many products claim they can set you free from leaks, frequency and worry, only to deliver disappointment. When I finally tried BetterWOMAN, I found that after 2-3 months it actually works! It changed my life. Even my friends have noticed that I’m a new person. And because it’s all natural, I can enjoy the results without the worry of dangerous side effects. Thanks to BetterWOMAN, I finally fought bladder control problems and I won!

ALL NATURAL CLINICALLY-TESTED HERBAL SUPPLEMENT

- Reduces Bladder Leaks
- Reduces Bathroom Trips
- Sleep Better All Night
